Dear Tsachi,

On behalf of Beit Issie Shapiro, I would like to thank you for all of your support and assistance with the first-ever **online** International Halliwick Association Conference, which took place on September 30th and October 1st, 2021.

Beit Issie Shapiro is Israel's leading non-profit organization with a mission to build a more inclusive society across the globe by advancing the rights, equal opportunities and services for people with disabilities; impacting on over half a million people annually. The collaboration with the International Halliwick Association, its Israel Group and your incredible team and platform, really helped position Beit Issie Shapiro and its contribution to the Halliwick field globally.

We are all grateful for the incredible Eventact platform, Innoventeam production support and your personal generous contribution and involvement in making this conference a great success.

Having friends and supporters such as yourself - who not only talk the talk, but walk the walk, hand-in-hand with us - helps us reach our shared vision of changing the lives of children and adults with disabilities and their families for the better.

Thank you for giving us the tools and support to turn this conference into a success.

With much appreciation,

Ahmir Lerner
Executive Director
